Christine Kump-Mitchell
Project Coordinator
Hazardous Waste Program
Missouri Department of Natural Resources
7545 S. Lindbergh, Suite 210
St. Louis, MO 63125

Dear Ms. Kump-Mitchell:

Enclosed is the quarterly report for the quarter ending September 30, 2005 as required in paragraphs 91 through 94 of the Corrective Action Abatement Order on Consent, Order No. 99-HW-002 (AOC). The following summarizes the activities completed during the quarter.

Description of Work Completed During the Quarter:

Modine received a "draft" letter from MDNR in response to the May letter. A meeting was held for discussion of the "draft" and the overall path forward for the project. At the meeting, it was decided to summarize the historical activities in an RI document to further help in determining the path forward with the project. A final letter based on the "draft" MDNR letter will be sent to Modine after further review by MDNR. The RI document will be sent to MDNR after the letter has been received by Modine and is anticipated to be completed by the end of the year. No other work was completed during the quarter.

Summaries of Findings, Data, Etc.:

No data was gathered.

Summaries of Problems or Potential Problems and any Corrective Measures Implemented:

No problems were encountered during the quarter.

Projected Work for the Next Reporting Period:

The anticipated work to be completed consists of completing the RI document, completing the groundwater final report and completing the associated EI.

Instances of Non-compliance with the Requirements of the Order:

There were no known instances of non-compliance with the requirements of the Order during the quarter.

If you have any questions on this report, please contact me at (262) 636-1649 or at the letterhead address.

Sincerely,

Thomas S. Sanicola
Principal Environmental Engineer
